- AOHP an organization dedicated to the professional growth of Occupational Healthcare Professionals working in healthcare settings.
- Resources and educational opportunities offered through AOHP provide access to the most current information on standards of practice.
- Networking opportunities provide the ability to easily connect with colleagues.
- AOHP membership is very affordable (especially when compared to other professional organizations), and is the most important investment I make in my professional growth each year.

To view more information about AOHP, and to see all it has to offer, visit: www.aohp.org or e-mail: info@aohp.org
