

ASSOCIATION
OF OCCUPATIONAL
HEALTH PROFESSIONALS
IN HEALTHCARE

- AOHP an organization dedicated to the professional growth of Occupational Healthcare Professionals working in healthcare settings.
- Resources and educational opportunities offered through AOHP provide access to the most current information on standards of practice.
- Networking opportunities provide the ability to easily connect with colleagues.
- AOHP membership is very affordable (especially when compared to other professional organizations), and is the most important investment I make in my professional growth each year.
